FROM/EXPÉDITEUR : Tamara Burnham
Regional Director-Staff Development, Infection
Prevention & Control
DATE : June 22, 2020 **PAGE(s) :** 1
SUBJECT/OBJET : Infection Prevention & Control-Weekend On Call

Please be advised that Infection Prevention & Control (IPC) weekend on call coverage is ramping down and will no longer be in place effective June 22, 2020.

For employee occupational health screening direction, please see “COVID-19 Employee Occupational Health Screening” poster. The poster provides direction to staff identified during the pre-screening and point of entry screening process (with fever and/or symptoms) that are not able to work until approved to return by IPC Practitioner or manager. The “COVID-19 Guideline for Screening of Manitoba Health Workers” document has also been updated.

Thank you,

Tamara Burnham
