Development/Infection Prevention & Control

DATE : April 16, 2020

PAGE(s) : 1

SUBJECT/OBJET : Infection Prevention & Control-Weekend On Call

Please be advised that Infection Prevention & Control (IPC) on call coverage will be in place this weekend, April 18 & 19, 2020. The IPC Practitioner will be available between 0800-1615 hrs for Covid-19 occupational health screening for staff as well as consultation and to answer questions.

The IPC Practitioner can be contacted for staff identified during the pre-screening and point of entry screening process (with fever and/or symptoms) that are not able to work until approved to return by IPC Practitioner or manager. The site/program can provide the staff name, screening criteria not met, and contact information to the IPC Practitioner during on call hours for secondary occupational health screening and direction.

For on call services please call Shelly Rempel at 204-392-7575.
