

Expression of Interest – Personal Care Home COVID-19 Rapid Response Team

You are expressing interest to join the PCH COVID-19 Rapid Response Team, where you would be re-deployed to assist in providing resident care and services within a Personal Care Home experiencing a COVID-19 outbreak, for the purposes of meeting resident care and service needs.

Your employment status would remain within your current employment program or site during this re-deployment period (1-3 weeks) and your current salary and other benefits would continue without disruption.
